Benediction

Today's Scripture Text:

2 Peter 3:8-9, 15 NET

8

Now, dear friends, do not let this one thing escape your notice, that a single day is like a thousand years with the Lord and a thousand years are like a single day. ⁹The Lord is not slow concerning his promise, as some regard slowness, but is being patient toward you, because he does not wish for any to perish but for all to come to repentance.

15

And regard the patience of our Lord as salvation, just as also our dear brother Paul wrote to you, according to the wisdom given to him.
