## Galatians 1:6-9 NET

<sup>6</sup> I am astonished that you are so quickly deserting the one who called you by the grace of Christ and are following a different gospel – <sup>7</sup> not that there really is another gospel, but there are some who are disturbing you and wanting to distort the gospel of Christ. <sup>8</sup> But even if we (or an angel from heaven) should preach a gospel contrary to the one we preached to you, let him be condemned to hell! <sup>9</sup> As we have said before, and now I say again, if any one is preaching to you a gospel contrary to what you received, let him be condemned to hell!

*Genesis 1:2*

Surgeon: "I think the medical profession is the first profession mentioned in the Bible. God made Eve by surgically removing a rib from Adam."

Engineer: “No, engineering was first. Just think of the engineering job it was to create things out of chaos.”

Politician: "That's nothing ... who do you think created the chaos?"
